

## PBRF Consultation on: Panel-Specific Guidelines

Due: Friday 10 November

Link to survey: <https://www.surveymonkey.com/r/M9SYC2D>

Questions 1-5 pertain to demographic information

### ***General feedback***

Q.6 The Panel-Specific Guidelines have been changed to reflect the In-Principle changes the TEC has made. Are these changes clear?

TEU Response
Yes

Q.7 The Panel-Specific Guidelines have been written to be read in conjunction with the TEO Guidelines without duplicating them. Given this, is there any extra information that would be useful to include in this document?

TEU Response
No

Q.8 Do you have any other general comments regarding the Panel-Specific Guidelines?

TEU Response
In general, the guidelines are written in a very comprehensive-yet-clear way. TEU members appreciate this degree of clarity. We have no additional commentary on the discipline-specific guidelines.

***Do you have any comments related to any particular panels' Panel-Specific Guidelines listed below?***

Q.9 Biological Sciences (BIOS)

TEU Response
